## Become a member of the SAFE Bar Network

Your business is built on creating a fun, comfortable atmosphere where people come to connect, relax, and celebrate. The reality is that on any given night your employees see customers who are uncomfortable or unsafe and they don't know how to help. The SAFE Bar Network works with you to build a culture where your staff uses active bystander skills to create the comfortable, safe, and fun atmosphere needed to attract loyal customers.

### Benefits of joining the SAFE Bar Network:

- One-hour SAFE Bar, active bystander, training for employees
- SAFE Bar toolkits for employees
- SAFE Bar Network window clings
- Back-of-house poster, "Notice, interrupt, support"
- "Safe night out" stickers
- Customer support cards with local resources
- "The staff is your friend" posters for the front-of-house
- Certificates of completion
- Press release
- SAFE Bar Network tips, updates, and networking opportunities
- Recognition on the SAFE Bar Network website and social media
- Stronger connection and improved relationship with your community

The straight-forward, engaging, and effective SAFE Bar training is a conversation that teaches employees how to notice concerning behavior, interrupt effectively, and provide support.
