OF STUDENTS ARE GOING TO A SAFE BAR

The SAFE Bar Network
trained the top 7 college bars
in Mt. Pleasant, MI.

When students at Central
Michigan University go out,
the bartenders, servers, and
managers at their favorite
venues are working to give
them a safe night out.

Next up? Baton Rouge. When LSU students go out
in Tigerland, the bartenders, servers, and managers
will be working to give them a safe night out.

“As a server I’m will
be curious and
check in to help out
when someone is
uncomfortable.”

“As a bartender, I’ll
be aware of other
people’s surroundings
for them when
they’re drinking and
their guard is down.”
